## ADDITION TO ASSIGNMENT COVER SHEET

### CERTIFICATION OF ASSISTANCE FROM A PROOF-READER

As all assignments at Perth Bible College are to be written in good diction, phraseology, and style, it is clear that a number of students need assistance in this area. Students who feel that their English is not as good as it should be, can have the draft of an assignment proof-read by another person who can help them learn how to improve the presentation of their assignments.

However, it is important that such assistance is acknowledged. In such a case the form below should be completed and stapled on the top of the completed assignment.

"I certify that the attached assignment is my own work, but I acknowledge assistance from

\_\_\_\_\_ who helped me with the English used in the paper,

(Name)

but did not contribute to the ideas, content or arguments presented, nor to the structure of the paper".

\_\_\_\_\_ (Signature of Student).

"I certify that I helped the above mentioned student with the English used in the paper, but did not contribute to the ideas, content, or arguments presented, nor to the structure of the paper."

\_\_\_\_\_ (Signature of Proof-Reader).
