PETER, DAMARIS AND BABY JOSHUA
work in the Middle East with Muslims
and Muslim Background Believers.

They long to see more and more
Christians and Churches in Perth
making the most of their opportunities
to Love Muslims in word and deed.

*As Islam finally dawns as a key issue for
the church in the 21st century, Australian
Christians find themselves aware of
Muslim neighbours, colleagues and
relatives. Sadly almost nothing in their
experience or education has prepared
them to understand and relate to
Muslims and share the gospel with them.*

*Australian Churches now have more
Muslim Background Believers than ever
before. Yet there is little awareness of
their needs. There are few ministries
focused on building up these brothers and
sisters.*

BEING BALM is a conference to Connect
the Christian community working
with Muslims, to Equip Christians in
Reaching Muslims and Discipling Muslim
Background Believers, and to Mobilise the
Church.
